#LancsEncounter

3 days, 6 venues

Lancashire Encounter is back with a bang for 2018!

An authentic voice for Lancashire, the biennial festival is staged in Preston and celebrates the talent of the county.

The festival's packed programme will shower you with Lancashire's diverse cultural heritage and high quality arts.

Over the last year Lancashire Encounter has collaborated, co-commissioned and worked with some very exciting people and organisations to offer this truly unique and stimulating programme.

Live the Dream by Jamie Holman was co-commissioned with Fabrications, British Textile Biennial and Super Slow Way. Light up Lancaster, Lightpool Festival, Blackpool and Encounters joined forces to create Hannah Fox's inspired illuminated Lancashire Moon projection. Derelict are bringing a taste of their festival to this year's Encounter. Both Matthew Harrison's Actual Reality Arcade and Thrill Laboratory's Virtual Reality Playground are interactive art installations and the performance of Akedmi's Sufi Zen and BLOCK are all presented with support from the Without Walls Touring Network.

The 300+ strong Lancashire Choir is made up of communities from across Lancashire. This project has been led by More Music Morecambe.

Sunday's Red Dream Parade contains bands, dance, theatre, performance, colour and wonder. It also involves communities from across Lancashire. The following will be taking part: Action Factory (Blackburn), Artz Centre (Skelmersdale), Art of Recovery and Horizon Support (Blackpool), Disability Equality NW, Groundwork's Grange (Blackpool), Gujarat Hindu Society and Community Centre (Preston), Preston Community Gateway Association, Preston Youth Dance Group, Preston Youth Theatre, Soundskills (Preston), The Exchange (Morecambe) and UCLan Confucius Institute.

Photographs will be taken and may be used in future marketing and publications unless you ask us not to.
